

ROCCIA X

INTERPRETATION
OF A BEST SELLER.
WILD FLOWER FEELING
INSTEAD OF BORING GRASS.

ROCCIA X

**ORIGINAL, STRAIGHTFORWARD AND REDUCED: IN SIX SIZES.
FROM THE FUNCTIONAL SIZE TO OVERSIZED. OR AS EXTRA THICK TERRACE SLABS.**

For some people, X means more freedom, while others are happy to squeeze themselves into an S. Some find primitiveness simply retrograde, and for others it looks more like progress.

The 'back to the roots' ambience stands for individuality and freedom. In the practical function format or in the untamed large format. With its formed sections and their uniquely reduced and straightforward lines, Roccia X stands first and foremost for what is popular and modern, and for pure feeling. Frost resistant, anti-slip and easy to clean.
